**NARRATIVE:**

Mitchell Davis is a documented gang member and sex offender with an extensive adult criminal history that began at the age of 18. His convictions include lewd or lascivious acts, transportation of controlled substances, possession of controlled substances for sale, resisting arrest, possession of marijuana and failing to report. He has served multiple incarcerations the longest being 6 years for transportation of controlled substances. Davis was released from state prison to the supervision of the Los Angeles County Probation Department on November 23, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2015 after he absconded from post release community supervision (PRCS). Davis qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
